- III. Trustee Knox presented the Financial Reports  
  
He gave an update on the interest we are receiving from TrustIndiana bank account. As of April 14, 2026, the Debt Service Fund has earned \$4,595.77 and the Rainy Day Fund has earned \$5,823.01 for the year 2026.
- IV. Resolution WTR-2604—Resolution retroactively approving vendor selection and service repair of elevator

Trustee Knox mentioned that we have been having some ongoing issues with our elevator since January. We were told that the part to replace the elevator board would cost over \$14,000 and that there is no guarantee that it would work. Due to the age of the elevator, Otis recommended we replace the elevator. We received a quote of \$124,907.14. We contacted two other companies, Schindler Elevator Corporation and Kone Elevator. Schindler quoted \$122,081 but is unable to schedule work until September and Kone did not quote.

MINUTES APPROVED ON THE 12<sup>th</sup> DAY OF May 2026.
